Continuous Learning – Community Voice

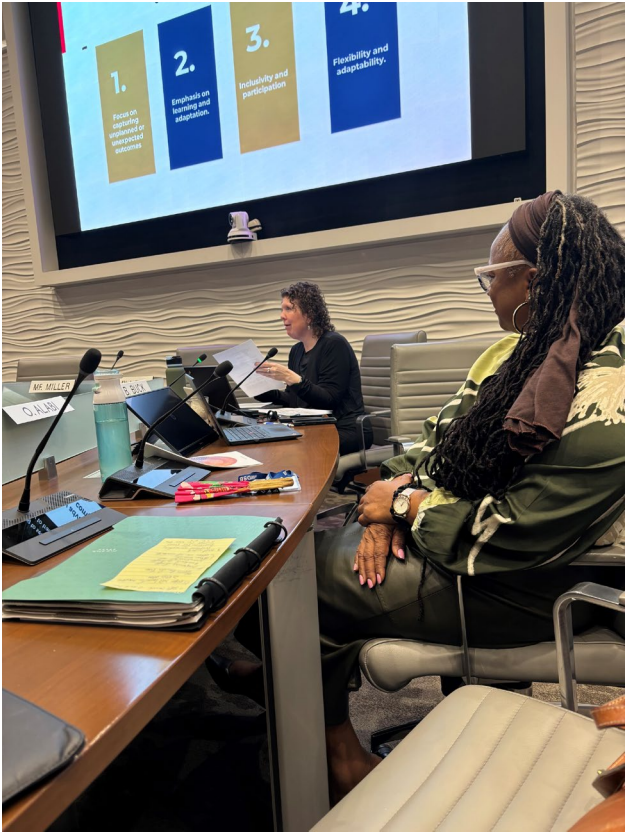

A screenshot of the HWDSB website. The top navigation bar is blue with the HWDSB logo, a search bar, and links for Translate, Subscribe, and Contact. Below the navigation bar are dropdown menus for Kindergarten, Elementary, Secondary (highlighted), Adult Learning, Summer Programs, Community, About, Staff, Student, Parent, and Careers. The main content area shows the '2025 Program Strategy Review' page. On the left is a sidebar with a 'Programs' section containing links to '2025 Program Strategy Review', 'Pathways Guides for Grades 7 to 12', 'Specialized Programs', 'Intervention and Support Programs', 'Experiential Learning', 'Night School', 'Specialist High Skills Major (SHSM)', and 'Continuing Education'. The main content area has a breadcrumb trail: Home / Secondary / Programs / 2025 Program Strategy Review. The title is '2025 Program Strategy Review'. The text states: 'The HWDSB Secondary Program Strategy was launched in 2012. HWDSB's Elementary Program Strategy was launched in 2016 with the French Immersion Location Strategy and Application Process following shortly soon after. There are several aspects of the Program Strategies including specialty programs and general programming and supports for K to 12 students.' It also mentions: 'HWDSB is currently in the implementation phase of our 5-year Multi-Year Strategic Plan. This strategy guides our work and informs the goals found in our Board Improvement Plan which seeks to: improve numeracy, literacy, future preparedness, well-being and engagement for every HWDSB student.' Below this is a table titled 'Program Strategy Review Phases'. On the right side of the page, there is a small version of the '2025 PROGRAM STRATEGY REVIEW' sticky note graphic and a blue HWDSB logo.
