ADDRESSING ANTI-BLACK RACISM IN HWDSB:

STRATEGY FOR BLACK STUDENTS' SUCCESS AND WELL-BEING
2025-2028

HWDSB
BE YOU. BE EXCELLENT.

The Why

- Black students continue to face racial discrimination, disproportionate discipline, streaming, and curriculum erasure.
- The education system has failed to adequately support Black students, despite decades of advocacy and reform efforts.
- Anti-Black racism, bullying and discriminatory incidents and practices in schools occur disproportionately at a much higher rate.
