March 6, 2025

Discretionary Disposition Process

Mandatory Disposition Process

Educational Excursions

March 6, 2025

Educational Excursions Policy

- Policy review
- Updates to language throughout the policy; previous policy was very technical in nature
- Reviewed through the Multi-Year Strategic Plan and Human Rights Impact Assessment Tool

Educational Excursions Policy

- **Guiding principles**

- Importance of our local context, equitable inclusion, communication to parents, caregivers and guardians an.

- **Intended outcomes**

- Accessible, directly aligned to Ontario curriculum or the Multi-Year Strategic Plan

- **Action required**

- Maintain a detailed procedure with clear roles and responsibilities, mandatory planning tools, clear curriculum outcomes and how barriers will be addressed.

Medical Supports Policy

March 6, 2025

Medical Supports Policy

- Approved by the Policy Committee on November 7, 2024
- **PPM 161:** Supporting children and students with prevalent medical conditions (anaphylaxis, asthma, diabetes, and/or epilepsy) in schools.
- **Specific policy language:** All school board policies on supporting students with prevalent medical conditions are expected to contain, at a minimum, the following components. We have captured within our Intended Outcomes
- Consultation Process

Policy Consultation

- Principal and Vice-Principal Advisory
 - Student Senate
 - Parent Involvement Committee
 - Special Education Advisory Committee (SEAC)
 - Central Joint Health and Safety Committee
-
- Future Consultation on the various procedures: School Councils, and Home and School
